 - b) He informed the council that following the government's spending review cuts were going to be deep and as a consequence there was no prospect of the planned roundabout going ahead at the Crab & Lobster junction. He said that he had spoken with Donna Hodgson and the most that the council could expect would be to have the markings renewed. He encouraged the council to maintain pressure on Highways.

- iii) PP reported that he had been to see Mr Goldberg to discuss the problem beech which lies on the boundary between Mr Goldberg's land and parish land. The council agreed that PP should speak with HBC to establish whether it still believes the tree to be unsafe and whether rectification is required.
