PLANNING

Topcliffe Weir – Nothing to report since last meeting. Planning waiting for another environment report to be remitted.

Planning for Primrose Cottages received. DC asked if the cottages are going to match. APC considered map and discussed. MA observed that it looked like a mirror image. No objections. APC supported the plans.

PLAYING FIELD

15/7 JL commented that it looked tired. PP asked if the committee were still active, JL thought not as active as in previous years. JL commented that she thought they hadn't got a lot of funds. JL felt that the playing field needed an overhaul and perhaps grants should be applied for. JL to approach the institute.

VILLAGE MAINTENANCE

15/8 JL has contacted the council regarding the deterioration of the Northfields steps and style – no repairs had been made therefore she will contact them again. PP asked if everyone was happy with the clearance of the pavement between Asenby and Topcliffe.
